

BootsieMWC Privacy Policy

Data Collection and Use

We collect personal and activity data, including information you provide, such as your name, address, phone number, and email. With your consent, we may access additional personal data from your device (e.g., contacts, calendar) or third-party services (e.g., Facebook) to enhance our services. We also use cookies, web beacons, and unique device identifiers to improve your experience. System logs may record browser type, operating system, and IP address.

Children's Privacy

We do not knowingly collect personal information from children under 13. If you believe we have, please contact us to obtain parental consent or delete the data.

Location Data

We may collect and share anonymous location data to customize and improve our services. Precise location data is collected with your consent and is not personally identifiable.

Data Access and Deletion

You can view or delete your personal information by logging into your account or contacting us. Please note, we may retain data indefinitely unless deletion is requested.

Data Sharing

We share personal data only with trusted partners and vendors to provide services.

- **Marketing:** Personally identifiable information may be shared with trusted partners for relevant offers or services.
- **California Residents:** You may request details on data shared for marketing purposes once per year. Contact us at nathan@simpletexting.net.
- **Text Messaging:** Opt-in and consent data for text messaging will not be shared for marketing purposes.

Ad Tracking

We allow advertising partners to collect anonymous data about your interests to deliver relevant ads. This data is linked to your device, not your identity. You can opt out of ad tracking.

Vendor Access

We may share data with vendors and contractors to support our services. These vendors are required to maintain confidentiality and use the data solely for service purposes. While reasonable security measures are taken, data security cannot be guaranteed.

Analytics

Analytics providers may access anonymous data (e.g., IP address, device ID) to help us understand usage patterns. This data is used only on our behalf and shared in aggregate form.

Special Circumstances

We may disclose your information in limited situations, such as:

1. With your consent.
2. To comply with legal obligations.
3. To protect our rights or property.
4. During mergers, acquisitions, or asset sales.

Policy Changes

Our privacy policy may be updated periodically.
